Campus CCTV Distribution Map of Songkhla Rajabhat University

- **1. Comprehensive CCTV Surveillance System:** The campus is equipped with an extensive Network Video Recorder (NVR) CCTV system covering almost every strategic point. As shown in the technical network diagram, high-definition cameras are systematically deployed across faculty blocks, common areas, and primary corridors to provide continuous surveillance and crime prevention.
- **2. 24-Hour Security Personnel and Access Control:** The university features a total of 4 main campus gates, each strictly managed by dedicated security personnel. Licensed security officers are stationed at every entrance and conduct regular motorized patrols throughout the campus, day and night, ensuring a continuous 24/7 safety presence and swift incident response.
- **3. Building Fire Safety and Suppression Infrastructure:** Fire safety assets are meticulously maintained across the campus, with standardized fire extinguishers installed on every floor of all university buildings. These emergency tools are routinely inspected to ensure absolute operational readiness.
- **4. Emergency Preparedness and Evacuation Drills:** To reinforce safety awareness, the university regularly organizes practical fire suppression training and emergency building evacuation drills. These programs

equip students and staff with essential survival skills and ensure organized response protocols during unforeseen emergencies.
