Description:

Songkhla Rajabhat University (SKRU) provides health services with comprehensive service support for the entire academic community. To ensure the physical and mental well-being of students, faculty, and staff, the university invests in robust health infrastructure facilities across the campus, categorized as follows:

1. Health & Psychological Support

- University Health Clinic: Provides essential first aid, routine health screenings, and primary medical care by registered nursing staff. Equipped with a streamlined referral protocol for emergency medical transfers.
- Student Counseling Center: Offers professional, confidential mental health services. Dedicated to fostering psychological well-being, stress management, and personal development for all community members.

2. Sports & Fitness Infrastructure

- Indoor Facilities: Features a state-of-the-art Fitness Center for cardiovascular and strength conditioning, and a multi-purpose Gymnasium for indoor athletic activities.
- Outdoor Facilities: Comprises a Standard Football Field, Athletic Running Tracks, and a Swimming Pool, designed to promote physical fitness and recreation in an open-air environment.
